M&A Webinar Series - Tax Considerations for M&A Transactions

04.23.2019

Williams Mullen is pleased to present a webinar series that covers the various elements of merger and acquisition transactions, as well as trends we are seeing in this space. We hope to provide takeaways that you can apply to current transactions or be helpful in planning future ones.

We know your time is valuable. That?s why we?re designing these to be short and sweet. 15 minutes max, and they?ll be recorded and hosted on our M&A practice page so you can view them at your leisure if you can?t make it in real time.

Our first program kicks off with **tax considerations for M&A transactions**. Practice chair **Larry Parker** and tax partner **Jenny Connors** will outline key incentives and tax trends to consider for your next deal.

We look forward to hosting you in the future. As we move forward, we would love your feedback on how we?re doing ? on the format, or if you have suggestions on topics moving forward. You can direct this feedback to Rebecca Edwards, redwards@williamsmullen.com or 804.420.6331.
