In this edition of William Mullen's M&A Webinar Series, Larry Parker is joined by Conrad Garcia, chair of our Tax Section, to discuss strategies to accelerate gain in 2021. Specifically, Conrad touches on electing out of installment method treatment, taxable rollover equity, negative capital accounts (applicable to partnerships and LLCs) and distributions in excess of basis (applicable to S corporations) through leveraged distributions. He also gave a high level overview of the potential implications of the proposed federal tax legislation, including on QSBS.
