

Nathan Kottkamp Quoted in Relias Media Article

01.06.2022

Nathan Kottkamp was quoted in "No Reassessment of Patients in Waiting Room or Hallway Is Malpractice Risk," a *Relias Media* article that addresses issues that can arise when patients are left unattended in waiting rooms.

Nathan explains that "failure to notice and address the patient's change could result in EMTALA and ordinary liability" and "the events will be viewed with skepticism under a significant hindsight bias."
