afadden@williamsmullen.com

Aaron Fadden is an intellectual property attorney whose technical focus is on chemistry, biotechnology, pharmaceuticals, life sciences and firearms. He counsels clients in matters related to prosecuting and litigating patents and other IP.

Prior to joining Williams Mullen, Aaron interned with Neo IP as a patent analyst associate where he monitored industries for patent and market trends.

Aaron received his Juris Doctor degree from University of North Carolina School of Law where he served on the board of advisors of the UNC Institute of Innovation, as a member of the University of North Carolina's *First Amendment Law Review*, and as president of the Carolina Intellectual Property Law Association. He earned his Master of Science degree in Chemistry and his Bachelor of Science degree in Biochemistry from Rochester Institute of Technology.
