Once registered, you will receive an email confirmation from Zoom, which will contain your link to log

into the program on the day of the event. If you do not see it in your inbox, please check your spam filter. If you're unable to locate your confirmation email, please contact Bekah Simmonds at rsimmonds@williamsmullen.com.

Your Zoom confirmation email will save the date for the entire program (9:00 AM - 2:00 PM). If you wish to just attend a portion of the event, please login for just that portion.

Please note that in order to submit your attendance for CLE credit to the state bar, we must provide record of your log in and log out time(s). In order to receive credit, **you must attend the session in its entirety**. To ensure you are logged in at the start of each session, we recommend that you log in for each session 5 minutes early, using your full name (no nicknames) and the contact information you provided when you joined the Bar. Please note that audio-only attendance (calling in by phone) is not eligible for CLE credit.

Our CLE application is only for live credit, so while a recording of the program will be available after the program, unfortunately, the recording will not be applicable for CLE credit in any state.
